Summer Vacation is the best and the most fruitful time for learning and nurturing creativity. Keeping this objective in mind we have planned diverse and exciting activities that will enhance your knowledge and boost your creativity.

- ★ "A healthy mind lives in a healthy body". So go out and play the sport of your choice. It will help to instill discipline, generate sporting spirits and channelize your energies constructively.
- ★ Get up early in the morning and see the rising sun. Go for a nature walk and feel the fresh air.
- ★ Spend quality time with your elders and share your thoughts and ideas with them.
- ★ Eat healthy food and drink lots of water during summer.
- ★ Health is a concern for everyone so, keeping this in mind we have designed your General Science homework on the theme "HEALTH AND FITNESS".

- 1) Write your favourite recipe that has cultural ties to your heritage, perhaps a dish served only on special occasions. Write its ingredients and paste a picture of it.
- 2) Design a poster on health benefits of "eating a rainbow".

Each color of fruits and vegetables adds different nutrients that are beneficial to our bodies. By eating an array of colorful foods, you can provide your body with the essential nutrition it needs.

Eg.: The phytochemicals in red fruits and vegetables may help protect against certain cancers, lower risk of diabetes, support eye health, and improve skin appearance.

Red: watermelon, apple, red pepper, tomato, raspberry, pomegranate, cherry, red potato, strawberry, and red onion

- 3) **STAY STRONGER LIVE LONGER** : When you go shopping next time with your parents, read the labels of the food products you pick, very carefully. You will notice that every food pack bears nutritional information on the label. After coming back from the market, choose packets of any 3 different food items you have bought.

Note the nutritional information on a sheet. Also make a data table with various headings like protein, carbohydrate, vitamins and minerals.

Compare the nutritional value of these three products. Find out which product out of the three products you bought, is the most nutritious. Develop a habit of reading the date of manufacturing and date of expiry mentioned on packets of all food items.

	Product 1	Product 2	Product 3
Protein			
Carbohydrate			
Vitamins & minerals			

Conclusion : Product _____ is the most nutritious because

★ May your holidays be a delight, Filled with happiness and cheer. HAPPY HOLIDAYS
