## Social Science

1. Founded in 1968 by the late Sheikh Zayed, the Father of our nation, Al Ain Zoo is a true family destination, providing entertainment and learning experiences in a natural outdoor environment. Today, visitors of all ages discover the zoo's wildlife and enjoy a great day out packed with fun and adventure, and explore our large animal collection of over 4000 animals

Animals in the zoo come from different countries around the world. Take the help of the link provided and prepare a small album of any ten animals protected in the Al Ain zoo. Write their names, the countries they are brought from etc. <https://www.alainzoo.ae/explore-zoo/animals>

2. Paste pictures of 10 tourist destinations around the world. Name the destination, the country where they are located and a few lines about the importance of the place. The destinations must be chosen from ten different countries around the world.

\*\* Note - To make your work look attractive and neat, make sure that you do it on colored A-4 size sheets. Don't forget to write the topic and put the name tag. Compile the sheets, punch and put them together. When the school reopens bring back your treasure.... To go through it will be our Pleasure!

**Dear Ones ,**

The much awaited summer holidays is back. It is the time to stay indoors , when it is too hot. But also a time to enjoy with your family , friends and relatives. But there is a lot more you can do to make your vacations more interesting, meaningful and full of fun while still doing all your favourite things. To keep you occupied during the vacation , some activities have been compelled to develop mathematical skills , creativity and critical thinking.

Please Note: Encourage your child to do homework on his / her own.
