Yes!! It's here again! The exciting Winter 2019. It's time for Vacation and fun filled activities." It's the time for you to refresh and rejuvenate, to showcase your performance more enthusiastically.

So, dear children, here's your chance to showcase your effort by working independently. When the school reopens bring back your treasure. Now, Get Set go.....

Hello friends,

Do you know? The last dinosaurs that walked on the earth died about 65 million years ago. Extinction of our species (dinosaurs) is a great mystery. When we became extinct, many species like crocodiles managed to survive.

Now, there are many animals in the world which are on the verge of extinction. They are called endangered animals.

We have a few endangered species of animals in the UAE also. Find out about these animals. Make an album of five of these endangered animals of the UAE; paste their pictures, write about the threats faced by them and how we can save them from being extinct.
